

REQUEST FOR PROPOSAL

Exhibition:	Africa's Travel Indaba 2022
Dates:	BONDay Day: 02 May 2022 Exhibition Days: 03 – 05 May 2022
Services:	Shuttle Service Provider for 2022 to 2023
Venue:	Inkosi Albert Luthuli Durban International Convention Centre

We are pleased to extend this opportunity for the provision of services for Africa's Travel Indaba 2022. Our Request for Proposal (RFP) requires you to submit a detailed breakdown of your proposal and costs by the specified closure date to be considered as a preferred supplier for the above services for Africa's Travel Indaba 2022 -2023.

Synergy Business Events (Pty) Ltd has been appointed as the official management company of **Africa's Travel Indaba** on behalf of **South African Tourism** for the period 2021 to 2023. As part of this contract, the **Synergy Business Events (Pty) Ltd** team is responsible for the planning and implementing all operations and logistics around the execution of one of the largest events on the African tourism calendar – **Africa's Travel Indaba**. This event is held annually in Durban during May.

Africa's Travel Indaba – Inkosi Albert Luthuli International Convention Centre, (Durban, KwaZulu-Natal) 02nd to 5th May 2022.

Africa's Travel Indaba, a trade exhibition, is one of the largest tourism marketing events on the African calendar and one of the top three 'must visit' events of its kind on the global calendar. **Africa's Travel Indaba** is a three-day trade event that attracts well over 8000 delegates from travel tourism and related industries. The exhibition accommodates over 1000 exhibitors, almost 550 local and international media, and more than 1 500 local and international buyers.

The focus for South African Tourism is to market South Africa as a destination to both domestic and international travellers. This is a trade show that provides a platform for the entire tourism industry to conduct business and network.

1. Project Scope

Synergy Business Events (Pty) Ltd is seeking a supplier with transportation capabilities to support shuttle services for Africa's Travel Indaba's hosted buyers, hosted media, non-hosted buyers, non-hosted media, speakers, stakeholders, and staff between King Shaka International, specified hotels, and Inkosi Albert Luthuli Durban Exhibition Centre and offsite event venues.

Services required:

- Airport pick up and drop off to be made available from 01st May 2022 to 06th May 2022
- Shuttle services plan to be submitted as per proposed (but not final) shuttle service route attached
- Smaller vehicles (10-seater, 18-seater, and 30-seater) to be made available for individuals / smaller group drop-offs (flight dependant)
- Large buses to be made available for show duration on the route – 60-seater
- Smaller vehicles to form part of the fleet in order not to delay route schedule (to prevent having to wait until buses are full before they leave)
- Please supply fleet list together with descriptions of the vehicles
- Shuttles to be made available for offsite events
 - SAT Offsite Events and Activations
 - Beachfront activation
 - Entertainment Activations - Florida Road
- A full project plan to accompany the proposal
- Please supply driver credentials and compliance
- Proof of license for each district as specified in Route Plan (pg.3)
- All buses to have a host/hostess so that FAQ can be answered
- Hosts & Hostesses to be competent in answering event-specific and destination-specific questions.
- Hosts to take responsibility for a smooth ride for all delegates
- Hosts/hostesses must be contactable for the full duration that vehicles are running
- A mandatory briefing will take place once the service provider has been appointed
- A mandatory briefing will also be held with drivers and/or hosts/hostesses
- Downtime and cost allowance to be made available to enable branding/wrapping of vehicles as official transportation for the event, for the duration
- Cost associated due to downtime of vehicles for branding to be included in final proposal cost
- The estimated downtime for branding is 10 working days, the vehicles must be made available for branding during this period.
- Appointed service provider to execute the application of branding onto the vehicles to the required standard, or to allow the vehicle to be applied by an agent appointed by South African Tourism.
- All vehicle insurances are to be in place for any potential damages that may occur resulting in either travel, delegates, or branding application and removal.
- Submitted proposal to show a breakdown of how localization will be implemented through a partnership of local transport operators.

- COVID-19 protocol implementation with daily fogging of vehicles as well as the availability of sanitizers. All staff must always wear masks when transporting delegates.
- The service provider must consider social distancing requirements in vehicles and manage the flow of travellers and mitigate any delays.

2. Technical Requirements

General

The supplier must have safe and reliable transportation capabilities with the ability to provide timely shuttle service between the locations noted in the Project Scope. The supplier must also adjust to changes in schedule and rider requirements, including frequency and volume changes, indicated in their proposals.

Specifications

The supplier should include the price for all support in the proposal including count and type of vehicles for transport between the defined locations.

Route Planning

The supplier will work with the Synergy Business Events (Pty) Ltd to develop a shuttle routing structure and schedule, as well as a plan to respond to vehicle mechanical malfunctions, accidents, or scheduled driver absences. License to be provided for each district as per route plan.

The locations to be serviced are:

1. King Shaka International Airport
2. Inkosi Albert Luthuli Durban ICC
3. South Beach Zone Hotels
4. North Beach Zone Hotels
5. Marine Parade Zone Hotels
6. Blue Waters Zone Hotels
7. CBD Zone Hotels
8. Berea Zone Hotels
9. Riverside Zone Hotel
10. Umhlanga Beach Front Zone Hotels
11. Umhlanga Gateway Zone Hotels
12. Durban Country Club
13. The above list may be added to accommodate offsite activations

Rider Validation

The service will be at no cost to Africa's Travel Indaba hosted buyers, hosted media, non-hosted buyers, non-hosted media, speakers, stakeholders, and staff; therefore, the supplier shall validate each rider through Africa's Travel Indaba issued name badge identification. Individuals that are not Africa's Travel Indaba-hosted buyers, hosted media, non-hosted buyers, non-hosted media, speakers, stakeholders, and staff must not be permitted to board the vehicles.

Reporting

The supplier shall provide to **Synergy Business Events (Pty) Ltd** a weekly progress report in preparation for the event. A daily status report shall be provided relating to revealing the total number of riders, total mileage driven, fuel consumption, and service interruptions, issues, or exceptions. A detailed post-show report shall be supplied no later than **Tuesday 31 May 2022** with recommendations for 2023

Length of Service

The service will initiate a two-year contract.

Insurance

The awarded supplier must provide proof of all required passenger liability insurance coverage and will ensure such coverage remains current and in effect throughout the contract period. The supplier will notify **Synergy Business Events (Pty) Ltd** immediately of any changes of insurance coverage including but not limited to loss of or reduction of coverage.

Roadworthiness

All vehicles used must be roadworthy as required by the National Road Traffic. Please refer to page 6 on the documentation required for all vehicles.

Emergencies

All emergencies shall be reported first to the **Synergy Business Events (PTY) Ltd** head of Operations Department, followed by the client, and then to VOC. If a driver is aware of a disturbance that threatens the safety or well-being of passengers, he/she must immediately notify the SAPS, Safety Officer, and VOC with the following information:

- Exact location
- Number of people involved
- Descriptions of individuals (if possible)
- Descriptions and details of vehicles (if possible)
- Nature of problem

Drivers

Drivers assigned by the supplier to operate Africa's Travel Indaba Shuttle must meet all provincial and national licensing requirements. All drivers must be uniformed and wearing appropriate company identification:

Tel + 27 11 476 5104
admin@synergybe.co.za
Directors: Tiisetso Tau, Martina Komane
www.synergybe.co.za
P.O Box 799, Rivonia, 2128

- All drivers are expected to be in full uniform any time they are on duty providing such service. Uniforms are to identify the driver and/or other persons as employees of the service provider.
- All drivers are required to wear a picture ID when providing service. A current list of drivers' names and pictures is to be provided to the Synergy Business Events (PTY) Ltd Operational Team before the exhibition and updated accordingly during the exhibition show days where necessary.
- All drivers must successfully pass a fingerprint and background check administered through the service provider before operating any vehicle under this contract.
- All drivers are encouraged to solicit constructive feedback from riders regarding transit routes.
- They are expected to remain professional and refrain from any personal conversations regarding any controversial subject matter.
- Drivers & hosts/hostesses will need to adhere to a strict code of conduct which shall be sent to the chosen supplier.

Sub-Contracting

It is mandatory for the supplier to partner with a local taxi association that operates in the mentioned route. Suppliers need to produce a written agreement of the transport service for the duration of Africa's Travel Indaba 2022-2023 period and the maximum number of vehicles being utilised by the taxi association for the period.

A 30% minimum subcontracting threshold applies. Applicants to show a breakdown of sub-contracted suppliers with the percentage of each sub-contractor contribution.

Sub-contractors to be secured and confirmed at time of submission of the RFP document/proposal.

3. Project Plan

Supplier to outline how they would provide the services proposed. Please address the following areas with timelines:

a. Logistics Plan

The logistics plan should describe how the proposed service provider will fulfill ridership needs, provide sufficient vehicle and staffing requirements, make modifications to standard schedule as required, provide on-call services when requested, and provide continuous improvement to the quality of services provided and management of Africa's Travel Indaba account.

b. Vehicles

- Describe all vehicles intended to be utilized under a resulting contract
- Provide quantity, make, model, year, size, number of passenger seats, and any special features such as wheelchair friendly access
- Attach literature (pictures, specification) for all vehicles proposed
- Describe the personnel and procedures to be used to ensure that the vehicles are safe and well-maintained and in compliance with all federal, state, and local laws and ordinances
- Include information on what emergency procedures are in place for vehicle breakdowns
- Describe the procedures to be used for the cleaning of the exterior and interior of the vehicles, including the personnel to be used for each activity and the frequency of cleaning
- Describe how you intend to identify vehicles as Africa's Travel Indaba Shuttle for each route

c. Staffing

Please discuss the qualification requirements for your transit drivers. Include information on your new applicant / new hire screening process, indicate the average length of service, and a description of mandatory training programs for drivers.

d. Communication

Describe your proposed plan for communication with **Synergy Business Events (PTY) Ltd** to ensure that daily operation meets passenger needs. State the telephone answering hours and arrangements for after-hours communication.

e. Service Response Time

State what provisions you have for Africa's Travel Indaba Team to contact your office 24 hours a day during the exhibition. Specify the name and title of the individual (s) contacted for routine servicing and/or emergencies

Ps = Score for the Bid under consideration

Pt = Price of Bid under consideration

$Pmin$ = Price of lowest acceptable Bid

Cost Structure of Proposal:

All prices are to be inclusive of VAT and all payment terms are to be specified. No additional costs will be considered over and above the RFP submissions. Should you wish to sponsor these or any other services, please advise what your requirements would be for us to make an informed decision.

Additional points will be awarded for any innovative suggestions, as well as submission of your company's sustainability / environmental policy and how you aim to implement this at Africa's Travel Indaba 2022. Consideration should be given to using energy-efficient vehicles and low carbon footprint measures should be put in place in conjunction with the organizers. Payment, after successful award, will be made against an official purchase order and VAT invoice.

Event Greening:

In line with international best practices, Africa's Travel Indaba 2022 aims to be a low carbon event where event greening is considered in all the different workstreams and appointments of suppliers. You are required to indicate in your proposal how you intend to implement this. Please include all relevant costs into your proposal, bearing in mind that it needs to still be competitive and make financial sense. The emphasis should be on innovation around the current business practice to ensure a positive impact around social and environmental issues, while it is still financially viable.

For additional information about event greening please visit the resource section of the Event Greening Forum on www.evergreening.co.za.
